

Industrial Flooring

Sikafloor® Epo-Rok®

EPOXY-BASED
MORTAR
FLOORING

Heavy duty concrete resurfacer systems

For high performance, VOC compliant flooring systems, rely on Epo-Rok®. These proprietary 100% solids systems deliver superior performance, whether you are overlaying new concrete or patching/overlaying a severely eroded concrete floor—providing chemical, abrasion and impact resistance with compressive strengths two to three times greater than concrete.

- *Highly durable surface suited for heavy traffic & aggressive use*
- *Excellent chemical, abrasion and impact resistance*
- *Slip-resistant texture for reduced injury risk on wet surfaces*
- *Specially designed aggregate for superior compressive strength, uniform appearance, ease of application*
- *Easy-to-maintain, seamless, hygienic surface*
- *Pre-proportioned batches for simplified, precise job site mixing*
- *Integral cove base available*

Sika®

Epo-Rok® INDUSTRIAL FLOORING SYSTEMS

Tough Performance. Aesthetic Versatility.

From health care facilities to industrial warehouses, Epo-Rok® Flooring Systems provide superior strength and durability.

■ Pillars of strength

Epo-Rok Flooring systems—the ultimate in strength and durability—resist chemical spills and exposures, can withstand temperatures to 200°F, and provide maximum abrasion resistance.

■ Brawn and beauty

Are aesthetics a concern? Tough, yet decorative, Epo-Rok Quartz Flooring systems provide a winning combination.

■ Advanced performance, tailored to your needs

- > Low odor & environmentally-friendly low VOC formulations
- > Gloss, satin and chemical resistant urethane topcoats

Epo-Rok® Systems

Epo-Rok®

Epo-Rok® Quartz

SURFACE FINISH	Non-Slip / Fine Texture	Non-Slip / Moderate Texture
INDUSTRIAL USE	Light to Heavy	Light to Medium
CHEMICAL RESISTANCE	Very Good to Excellent (DEPENDING ON TOPCOAT)	Very Good to Excellent (DEPENDING ON TOPCOAT)
HEAT EXPOSURE, CONTINUAL	150°F	150°F
HEAT EXPOSURE, INTERMITTENT	200°F	200°F
APPLICATION THICKNESS	1/4"	3/16"
FINISH	Solid Color	Decorative Quartz

TYPICAL APPLICATIONS

COMMERCIAL & INSTITUTIONAL	
business office buildings	
cafeterias/restaurants	■
correctional institutions	■
retail & shopping centers	
schools/education facilities	■
sports & entertainment venues	
HEALTH CARE	
animal holding facilities	■
health care facilities	■
veterinary clinics	■
INDUSTRIAL & MANUFACTURING	
beverage processing	■
chemical processing	■
electronics	
food processing	■
manufacturing, heavy	■
manufacturing, light	■
pharmaceutical production	■
water treatment	■
TRANSPORTATION	
aircraft hangars	
automotive dealerships	■
transportation terminals	■
vehicle maintenance areas	■
COMMON AREAS	
aisleways/corridors	■
break rooms	
chemical areas	■
clean rooms	■
cold storage	
kitchens, industrial/commercial	
laboratories	■
loading docks	■
lobby areas	
mechanical rooms	
mezzanines	
restrooms & shower areas	
warehouse/distribution	■
