

Wall Color Selection Guide

Industrial Flooring

			
511	514	577	540
			
500	501	576	534
			
504	578	544	515
			
508	510	568	587
			
542	543	539	593

This color selection guide applies to the following Sikagard® products:
Descoglas RM • Descoglas NR • Glazetite Type II Mastic • Descogaze Wall System

Colors show approximate tone without any texture. The color of the actual products may vary slightly. Final color matching should be made with actual batch to be used. Gloss level will vary depending on product used. Custom colors available with adequate lead time and minimum batch quantities. Please consult Sika Industrial Flooring for further information and pricing.
